## Principal's Message

Thank you for your patience and cooperation with I-ready assessments this week! We had more technical problems than we would have liked, however many students have completed the assessment. Please know that these assessments are designed to find out students' current level of understanding, and prepare an online instructional program based on that information. We are relying on the results to best serve our students. Thanks again for ensuring they get this done!

Mr. Florance, Principal

## Weekly Announcements

- ❖ We will have the computer labs open and available for students from 8am-11am and 2pm-4pm next week (Monday-Friday). If your student has not completed the I-ready assessment, please bring them.

## Updates and Reminders

- ❖ We are preparing for students to return to "face to face" instruction on October 21<sup>st</sup>. NGA provides the flexibility for your family to decide if you are ready to send them back, or keep them learning virtually even after this date. We will be sharing our processes, protocol, and procedures as the times draws closer so that families can make an informed decision.
- ❖ We need all families to complete this form by Friday, September 25<sup>th</sup>. If not, your student's *bus transportation may be delayed*. We are using this information to prepare. This is not a final commitment. It is to help us to best plan for our students.

- ❖ We have adjusted our schedule slightly to better support students and staff. Our school hours on Fridays will be from 8am until 12pm. Staff will be available only during these hours on Fridays while we are learning remotely.
- ❖ Starting this week, we will build in time on Fridays for students to get support. We realize that things are moving forward, and want to ensure students have that time "catch up" and get extra help from the week of work.
- ❖ We are planning an event entitled "We are NGA" for October 10<sup>th</sup> from 10am-2pm. This will be an Open House for families, and a Community event on the outside. Students and families to be able to tour the building prior to students returning. Safety protocols will be in place. We will have vendors and food trucks from the community outside to draw attention to our school. Please stay tuned for more!
- ❖ Help us recruit! We want more students to be a part of the NGA family! Share the things that make NGA stand out (small classroom sizes, academic coaches, transportation provided, and the option for families to come back 'face to face' or remain remote at the end of nine weeks).

## Upcoming Events

- ❖ Saturday, October 10<sup>th</sup>- "We are NGA" Open House/Community Partner's Day
- ❖ October 19<sup>th</sup> and 20<sup>th</sup>- Parent/Teacher Conferences
- ❖ October 21<sup>st</sup>- First day of "face to face" learning for students
