## Principal's Message

What a great week of teaching and learning! I am so proud of our students and their accomplishments thus far! Let's use this momentum to move into this 2<sup>nd</sup> quarter!

- Mr. Florance, Principal

## Weekly Announcements

- ❖ There will be NO SCHOOL for students on Tuesday, November 10<sup>th</sup> (Teacher Workday) and Wednesday, November 11<sup>th</sup> (Veteran's Day)

## Updates and Reminders

- ❖ We will delay our re-entry for students to return to "face to face" instruction until January 2021. This was decided and approved this week. A formal letter was sent on Friday to all families.
- ❖ We want to hear from you! Please complete this short parent survey to provide us feedback from the first quarter. We are constantly reflecting on our service to students, and appreciate your input. This will be available for this week. [Parent Survey Here!](#)
- ❖ We held a PTSO meeting last Wednesday night. Please click here to access the video recording of this meeting! [PTSO meeting here](#)
- ❖ Please help us celebrate Dr. Pam Misher who was officially approved as part of our team this past week! She has been working "behind the scenes" for months, but will now serve as our Curriculum Coordinator, alongside Mrs. Katrina Williamson, our Instructional Specialist. The level of investment and experience Dr. Misher brings to our team is simply unmatched, and we are excited about the value she will continue to add to our students' experience.
- ❖ We are still testing students on I-ready math and reading. We must continue to push this until all students are tested, as this is foundational for our students to get the support they need based on their mastery of content, as well as for our school-wide growth data for the year. If your student has not tested, contact the school to schedule a time.
- ❖ As we move into the 2<sup>nd</sup> quarter, we will be tightening up our expectations for students. While we have had a great amount of success working with students, there are some areas in which we must improve as the year progresses. We have fewer barriers now than when we first began. The stakes are higher, and therefore the expectations are as well. Please review the "Non-negotiables" with students, and help us reinforce the expectations.
- ❖ Please refer to our updated webpage for a great amount of information you may need. <https://ngagso.com/>

- ❖ “Shout out” our teachers! Use the link here [‘Shout Out’ Link](#) to send a ‘shout out’ message. This could be anything you hear or see from your student’s teacher that has impacted you and/or the student in a positive way! It always helps to be celebrated, and we want our staff to be supported in the tough work they do!
- ❖ Help us recruit! We want more students to be a part of the NGA family! Share the things that make NGA stand out (small classroom sizes, academic coaches, transportation provided, and the option for families to come back ‘face to face” or remain remote (at the appropriate time).
