Committed to Success!

Week of February 15th

Principal's Message

Thanks for another great week of teaching and learning! Your resilience in working with students is incredible, and greatly appreciated. Continue to push our students further to reach their maximum potential! #EaglesSOAR

- Mr. Florance, Principal

Weekly Announcements

- ❖ I hope families have enjoyed our Black History Moments so far! We will highlight students who want to share a black history moment via video. *Please encourage your student to submit a short video to their teachers! We will share it with the other students, and use it to prompt further questions about the individuals.*
- ❖ Our wonderful PTSO is sponsoring a breakfast for our staff on Monday, February 15th! We certainly appreciate all that are a part of the PTSO! Please know that they are working hard to support our staff who work incredibly hard to meet the needs of our students!
- ❖ We will have a special PTSO sponsored event this Thursday, February 18th at 6pm. This will be a parent panel entitled "Helping My Child Succeed (Parent to Parent)". Please submit your questions using this link [Submit Questions Here!](#). This is a great time to learn from each other, ways to help students succeed. We will send the zoom link later this week!

Updates and Reminders

- ❖ We are planning for school re-entry for "face to face" learning on Monday, March 8th. We still plan to conduct our assessments for I-Ready (All grades) and NC Check-ins (3rd and 4th grades) beginning Monday, February 22nd through March 5th. Please contact your teachers for the specific schedule for your student will come to the building. As always, this re-entry is dependent on continued progress with the metrics for our area, vaccination updates for staff, and certified construction completion with our building.
- ❖ February is Black History Month! We have a few things planned for students this month, both school-wide, as well as within the individual classrooms. Please be aware, and ask your students to share what they are learning about these Black American pioneers. The theme for this month is "The Black Family: Representation, Identity, and Diversity". Please see the attached "Black History Month Expressions Project" details and encourage your student to participate!
- ❖ We wanted to clarify with families that we are no longer partnering with *Operation Xcel*, the afterschool program. Any NGA student and family who is in this program for afterschool support needs to be aware of this. We have no influence on the curriculum, schedule, or activities from this organization. If you have questions in regards, please contact Mr. Florance.

- ❖ Thank you for continuing to promote student learning by establishing clear expectations for students at home, motivating them to do the work, and striving for excellence in all they do. We have a limited amount of time remaining for the school year, and want all of our students to excel the greatest extent possible.
- ❖ “Shout out” our teachers! Use the link here [‘Shout Out’ Link](#) to send a ‘shout out’ message. This could be anything you hear or see from your student’s teacher that has impacted you and/or the student in a positive way! It always helps to be celebrated, and we want our staff to be supported in the tough work they do!
- ❖ Help us recruit! We want more students to be a part of the NGA family! Share the things that make NGA stand out (small classroom sizes, academic coaches, transportation provided, and the option for families to come back ‘face to face’ or remain remote (at the appropriate time).
- ❖ Please refer to our updated webpage for a great amount of information you may need. <https://ngagso.com/>
