## Principal's Message

Week #2 of hybrid learning...done! While we are certainly all adjusting, I am celebrating our staff and students for a positive transition. Thanks for your support at home! #EaglesSOAR

- Mr. Florance, Principal

## Weekly Announcements

- ❖ Our staff will be available to receive students at 8:00am daily. Instruction begins officially at 8:45am, and therefore students are tardy if they arrive after this time.
- ❖ We will be dismissing at 2:10pm. Parents/Guardians of car riders, please arrive accordingly.
- ❖ Car rider parents, please make sure to arrive as close to 2:10pm as possible. We are doing everything we can to avoid traffic back up that would impact the businesses in the area. Also, please make sure the name cards are placed in the vehicle picking up. This helps us to move faster as well. Each family should now have two cards.
- ❖ We will not be able to accommodate any further changes to buses and/or routes at this time. Changes to the routes impact most if not all other student pick-up and drop off times. Please continue to be patient as we smooth out the routes and times. We will be sending out an updated bus schedule ASAP with updated times for morning and afternoon stops.

## Updates and Reminders

- ❖ Our PTSO will be sponsoring a series of events to celebrate our teachers during the first week in May. Please use the link here to help support in any way you are able to do so! [Teacher Appreciation Link](#) . Contact Mrs. Leah Dula Brown with any questions.
- ❖ We will be sending home Summer School invitation letters this week. There will be a short turnaround for returning these letters to reserve a seat in our program.
- ❖ Our staff will be providing a unique instructional model for the remainder of the school year. Teachers will be focusing on helping students recover specific skills needed for the upcoming school year. They are utilizing data from the recent assessments to make the best plans for each student moving forward. If you have questions or concerns, please talk with your teacher in regards.
- ❖ Please help our recruiting efforts by writing a google review of our school. There is extremely high traffic on google when searching for information. The more positive reviews we have, the more engaged other families will be in choosing our school in the future. Simply type in 'Next Generation Academy' into a google search, and on the right side select 'write a review'.
- ❖ These shout outs to our teachers are so encouraging! Please use the link here ['Shout Out' Link](#) to send a 'shout out' message. This could be anything you hear or see from

your student's teacher that has impacted you and/or the student in a positive way! It always helps to be celebrated, and we want our staff to be supported in the tough work they do!

- ❖ Help us recruit! We want more students to be a part of the NGA family! Share the things that make NGA stand out (small classroom sizes, academic coaches, transportation provided, and the option for families to come back "face to face" or remain remote (at the appropriate time).
- ❖ Please refer to our updated webpage for a great amount of information you may need. <https://ngagso.com/>
